

for Sale to Verolengo

300 square meters | : 4 | : 4 | : 8

In Verolengo, a few steps from the main street, semi-detached house composed of three distinct and separate apartments.

The house, free on three sides, surrounded by a private garden, is composed on the ground floor of a first apartment arranged as follows: entrance, hallway, two bedrooms and two bathrooms;

the second apartment, on the first floor, consists of: hallway, two bedrooms, large closet, bathroom and balcony;

the third apartment, on the second floor, consists of: entrance onto living room, kitchen, two bedrooms, bathroom and balcony.

On the third floor attic, a low building with three garages, private garden and courtyard complete the property.

The structure and the spaces lend themselves to the creation of a three-family house.
