

for Sale to Castiglione Torinese : Precollina

400 square meters | : 4 | : 7 | : 14

In the municipality of Castiglione Torinese, on the border with the municipality of San Mauro Torinese, a prized villa in a dominant position.

The property boasts a large square footage of about 400 square meters divided over three levels, making the villa an excellent solution either as a single-family or two-family dwelling.

On the ground floor we find the first apartment consisting of entrance, tinello with kitchen, master bedroom and bathroom. The marble staircase leads to the upper floor, consisting of a large living room with a panoramic terrace, five bedrooms and double amenities. On the top floor, the third apartment, consisting of disengagement, living kitchen, two bedrooms and bathroom.

To complete the property on the thermal ground floor, double box from which you directly access the property, cellar, private garden, quad car box and wooded area of relevance.

The villa built in the mid-80s stands out for its architectural lines with rounded shapes, making it unique.

The large indoor and outdoor spaces make the property ideal for a large household or for multiple households, without having to give up privacy and independence.
