

for Rent to Settimo Torinese

85 square meters | : 1 | : 4

In Settimo Torinese, in a prestigious historic building, we offer an office in the center of Settimo T.se on the corner between Via Matteotti and Piazza Vittorio.

The office is located on the ground floor of a period house from the early twentieth century and enjoys excellent visibility thanks to its corner position.

It is located in a highly frequented area, in the immediate vicinity of the pedestrian street, Via Italia, particularly accessible both by public transport and by car, thanks to its proximity to the train station and the ease of parking in the immediate vicinity.

Internally it is composed of 4 rooms used as offices with hallway and bathroom.

It can also enjoy a main access from via Matteotti and a second service on the courtyard from which to admire and enjoy a relaxing break in the greenery.
