

for Sale to Verolengo

210 square meters | : 2 | : 9

In Verolengo in the heart of the main street, large commercial space for catering use.

The rooms are separated by walls, ensuring greater privacy and the possibility of creating environments suitable for different commercial activities.

The context in which it is located is on the main road, in an area of heavy vehicular and pedestrian traffic, which guarantees good visibility and a wide range of customers.

Upon entering we find the entrance/bar area, two dining rooms, pantry, dishwasher room, large kitchen with wood-burning oven, two storage rooms, dressing room, two bathrooms and cellar.

The generous size of the rooms offers optimal organization of the spaces.

The property has no condominium fees and the utilities are autonomous.

This is an excellent opportunity for anyone who wishes to open a commercial business in a strategic and visible area, with large spaces and services that make the place functional and convenient to manage.
